The Public Hearing is to consider and recommend a preferred alternative for the redevelopment of the Central Waterfront Planning Area, including the 65 acre Kimberly Clark property located at 2600 Federal Ave. and adjacent properties, on the downtown waterfront. The draft plan addresses land use and redevelopment concepts for reuse of the property; includes potential changes to codes, regulations, plans and shoreline public access.

Information on the plan alternatives is posted on the City of Everett Planning and Development Department webpage at: <http://www.everettwa.org/default.aspx?ID=2048>

The draft of the Preferred Alternative for the Central Waterfront Plan will be available on this website on October 12, 2012.

The public is encouraged to provide comments regarding the alternatives to help develop a proposed preferred alternative.
