

Land Use Project Permit Applications

September 1, 2005 to August 31, 2006

Application Type	Mean Processing Time	# of Standard Deviation from the Mean*	Complete Applications Submitted	Completed under 120 days	Completed over 120 days	Comments on permits exceeding 120-day timeline
Binding Site Plan	2 months	1	3	3	0	
Review Process II	2 weeks	8	22	22	0	
Review Process III	6 weeks	0	3	3	0	
Rezone	3 months	1	1	0	1	1) Two public hearings postponed at Applicant's request to respond to mobile home park residents.
SEPA	1 month	7	76	75	1	1) Applicant requested delays to prepare responses to citizen concerns.
Shoreline Permits	4 months		5	5	0	
Special Property Use	6 weeks	1	22	21	1	1) Applicant requested delays to prepare responses to citizen concerns.
Short Subdivision	1 month	8	28	27	1	1) Applicant requested revision to original proposal
Subdivision	3 months	1	4	4	0	
Variance	2 months	0	8	8	0	
TOTALS		27	172	168	4	

*Most projects that are under the 120-day timeframe but outside the mean processing time for that type of review is because the process is running concurrently with another project review process that has a longer processing time.
