

Mission

Civilian Volunteers with the Everett Police Department provide a working relationship between the Police Department and committed community members. Civilian Volunteers positions are created to support, not supplant, existing full time officers and staff. Officers and staff view Civilian Volunteers as a vital resource to the Everett Police Department who provide valued insight into our local community.

Senior Volunteer Program

Everett Police Senior Volunteer Program

The Everett Police Senior Volunteers have provided Everett's citizens with public safety and crime prevention services for years...

How Can I Be Involved?

Many activities performed by Senior Volunteers are in the field. However, there are a variety of ways to assist the police department.

Here are some of the typical assignments that Senior Volunteers perform:

- Vacation Home Checks
- School Zone Patrols
- Radar Patrols
- Clerical Work
- Child ID Programs
- Patrol Vehicle Inspections
- Disabled Parking Enforcement

Additional opportunities include computer data entry and/or working on the Everett Police Department's "Police Blotter".
